### HARVEST

Thank you again for all of the donations for harvest. We are delighted with what we have managed to collect, due to your generosity. This year's collection will be going to help people in our community via 'Coventry Food Bank.' It was lovely to be able to watch year 2's class assembly on Thursday that was all about harvest. Thank you to all of the parents that attended.

### PARENT VOICE

Whilst on the subject of assemblies, we have been listening to your suggestions regarding class assemblies. You have said that whilst you love being part of acts of collective worship with your children, including class and school masses, you would also like the opportunity to share in some of your children's learning through assemblies. We have now put together a series of assemblies to take place over the course of this academic year and every class will be taking part. We hope you really enjoy them when it is the turn of your child's class.

### HEDGEHOG RESCUE

We had a very exciting day today in school when Mick and Mr McCaughley had to be real-life heroes for the day and rescue a cute hedgehog, named by the St. Anne's staff as Alfie, from a drain. It appeared that he had been in the drain for some time as he had been shivering with the cold when he was pulled free. Mrs Gough then also got involved and placed Alfie on a hot water bottle and

covered him with a fleece. (Thank goodness for lost property!) While we would have loved to have kept him in school, we thought we had better do the right thing by him. Mrs Gough found a nearby vets that was willing to take him in and care for him. The vets said he was suffering from hypothermia—thank god for the beady eye of Mick. We know that hedgehogs are now in much less numbers than they used to be so we have hopefully stopped the numbers from decreasing by one more!

We all wish Alfie a speedy recovery.

### SCHOOL PHOTOS

This year for the school photos we are trialling giving you an option of the style of photo you would like to purchase. We are taking the traditional 'head shots' but will be trying some more contemporary style photos too to see if they prove to be popular.

### ROSARY

Thank you to each of you who attended rosary sessions with the children. We had a fantastic turnout from our parents. We know that children love to see their parents in school and I am sure you love to get the chance to be a 'fly on the wall', and see them and their behaviour at school. I received so many comments about how beautifully behaved the children were. We know how amazing they are and we love that you get the chance to see for yourself.

### WHOLE SCHOOL MASS

During the month of November we remember especially the Holy Souls. If you have anybody you would like us to pray for during this month, you will be invited to fill in a prayer dedication sheet which your child can then place in a box on the altar at school. WE will remember all of them during our whole school acts of collective worship. On Wednesday 1st November we will be attending mass at St. Anne's as a whole school for the feast of All Saints. You are all very welcome, as always.

We hope you have a lovely week off with your precious children.

God bless. Mrs Baylis
