

Name:

DISCOVER

Take One Object

Newcastle
University

Part A:

DISCOVER

You visited the Great North Museum: Hancock to look at your object.

Draw the object:

What did you		
See?	Notice?	Wonder?

Part B: **FIND OUT**

Go back to the museum – perhaps with your family.

What else can you find out about your object?

Find Two other objects in the museum that appeal to you – one that is similar and one that is different

Object 1	Object 2
What is it?	What is it?
How is it similar?	How is it different?

If possible please share a photo of your family's visit on Facebook; tagging our page by typing @Take One Object and checking in at the Great North Museum: Hancock.

Part C:

DISCOVER

Decide how you want to respond to your object out of school. After the holiday you can share it with others in your class.

It could be a:

- picture
- model/sculpture
- story
- poem
- song
- dance
- film
- cartoon
- photograph
- piece of music
- poster
- drama

or you may have a different idea!
