26 November 2017

Dear Parents/Guardians

Dental Nurse Presentation Visit for Class 2 - 4 **Monday 6 November 2017**

On Monday 6 November 2017 your child will have the opportunity to listen to a presentation from two local dental nurses. The children will be taught about the importance of good dental hygiene and reminded how to brush their teeth effectively.

Part of the presentation will include an opportunity for the children to use a disclosing agent (information attached) to reveal any areas where plaque may be building up. Such an opportunity will visually indicate to the children any areas they are missing when brushing.

The children will then be provided with their own personal toothbrush and toothpaste to use in the session; alongside a timer to encourage children to brush for the advisable length of time.

The session will consolidate our Autumn term's Science work and enhance the work we are also doing in P.S.H.C.E. The workshop is provided by Regent Street Dental Practice of Pocklington free of charge. All children will take part in this session and those whose parents wish to do so, may also partake in the disclosing agent activity.

Please sign and return the attached slip if you would like your child to take part in this activity.

Yours sincerely

Miss Winstanley
Mrs Levitt
Mrs Johnson
Mrs Rush
