Our Key Stage two children visited the Beatles Museum on Tuesday. Everyone had an enjoyable day. One memorable moment of the day was when the children all sang along to 'Imagine' and were applauded by the

tour guides. In the Early years the children have been using pumpkins. One activity was writing CVC words then hammering them to a pumpkin which helped to consolidate letter sounds, CVC words and was lots of fun!

It was the last session for Gardening Club until February. Mr and Mrs Lake made delicious pumpkins soup and pumpkin pie to taste. They also had a chocolate pumpkin treasure hunt!

Thank you for all your generosity and support for the Autumn disco. The children thoroughly enjoyed it and £180 was raised for our children. This will be used for Christmas activities.

We will be selling items to support The Royal British Legion after half term.
