

All children must be in class by 8.55 to be registered. Please ensure your children are on time!

Dear Parents/Carers,  
This half term has flown past, with the children (and staff) already beginning to talk about Christmas! We are lucky, in school, to have such a strong team of teachers and support staff, and we constantly strive to reflect upon and improve our level of teaching expertise. To this end, the Monday after half term is a teacher training day, with our particular focus being the teaching and assessment of foundation subjects. Hope you have a great half term - Tuesday 31<sup>st</sup> October will be the first day back for children.

## AUTUMN DISCO

Great fun was had by both the younger children and older at the St Peter's Autumn Disco. Money raised by the Friends of St Peter's will go towards new large items of play equipment, on the top field.

Thank you to all the mums and dads who joined us for the discos and to the Friends of St Peter's who helped us 'on the door' and serving at the tuck shop. We couldn't do it without you!

## Home circumstance changes...

If there are any changed circumstances at home eg parents separating / family bereavement, please can we ask that you notify your child's teacher. Any information will be treated in the strictest confidence and will enable staff to support your child appropriately in school. Thank you.

## Football fever..

Today saw St Peter's host the first inter schools football tournament of the new academic year. Six local schools competed and St Peter's team performed **extremely well**. A HUGE thankyou goes to Mr Parsons who helped to train and prepare the team for the competition, and to Mrs Stopps, our PE specialist teacher who helped to referee.

## Kingswood Trip 2016....

Places are going fast for the Years 5-6, Kingswood Activity Centre stay in North Wales, 2018, to be lead by deputy headteacher, Mr Hancock. A letter will be coming out detailing the initial payment and payment schedule.

## Nut Free Healthy Snacks Please!

Please remember that we are a healthy school. Children are allowed to bring in healthy snacks for break time, eg fruit, raisins, carrots, etc. No chocolate or crisps, please!

## Headlice alert...

Please ensure that your child's hair is checked regularly for headlice. Wash the hair in the normal way; rinse out the shampoo and put on lots of ordinary conditioner. When the hair is untangled switch to a fine toothed detection comb. (These are available from all chemists).

**PARKING:** Please could we ask all parents and Carers who collect or drop off their children to and from school to kindly refrain from parking outside the driveways of our neighbours. **Thank you.**

Please remember that individual and sibling group photographs will be available to be viewed and ordered online at: [www.petergammonphotography.co.uk](http://www.petergammonphotography.co.uk)
