

Living History Day

Wednesday 1st November 2017

Dear Nursery Parents/ Carers,

This term we have decided to incorporate Living History Day into our family learning. On **Friday 17th November**, we would like to invite you into the classroom to experience a taste of our History Curriculum. You will have the opportunity to participate in a History themed activity relating to your child's class topic. We hope that this opportunity will give you an insight into the excellent teaching and learning opportunities that your child is receiving at Kingfisher Hall Academy. The children are also required to dress up based on their year group's theme. (Please feel free to join in yourselves!)

There will be two timeslots for you to choose from and the sessions will last approximately 30 minutes. Please see your child's theme and time slots in the table below. We are limiting places to **15 parents** per slot. This will be done on a first come first served basis. Please return the slip below to your child's class teacher by **Monday 6th November**.
