Conversion to DDAT

Dear Parents / Carers,

Since we met with you following the issue of an academy order, the school has been busy preparing to join Derby Diocesan Academy Trust (DDAT) as an academy. I am pleased to inform you that all has gone well and we successfully converted on 1st November 2017.

The Secretary of State agreed to enter into a Funding Agreement with the school and therefore all legal documentation required as an academy is in place. Parents, Carers and pupils will not be able to see any differences now we have converted – there are no changes to the uniform, school day, holidays, staff or anything else that makes us the successful school we are. We will however begin to receive support from DDAT and will be working closely with other members of the DDAT school family.

We would like to thank the school community again for their contributions during the consultation and ongoing support. This is an incredibly exciting time for the school and we are all looking forward to a successful future as an academy.

As always, please do not hesitate to contact me if you have any queries or concerns.

Yours sincerely,

Claire Bailey
Acting Headteacher
