

Early Years Curriculum Guide

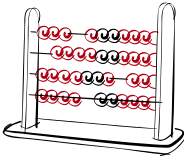

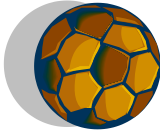

Here is a short summary of the curriculum your child will be following this half term.

You can help by:

- Sharing a book with your child each day
- Speaking to your child about their work and day at school

The topic that we are working on this half term is : Bonfire Night, Diwali, Colour and Shape, Christmas

These are some of the activities that we will do :

Communication, Language and Literacy		We will be learning how to listen to stories about different colours and be able to answer simple questions. We will continue to develop our confidence to talk in small groups and we will learn how to use different coloured materials to draw and write.
Mathematical Development		We will be singing counting songs and continue to count the children who are here each day. We will be learning the names of different shapes and we will begin to describe these shapes in Rangoli patterns. We will be sorting objects by colour, size and shape.
Expressive Art and Design		We will be singing songs about colour and moving our bodies in a range of ways as we dance using ribbons on sticks. We will be investigating how to change colours by mixing powder paint and we will be observing the changes. We will be making Diya lamps using clay and cards for festivals.
Personal, Social and Emotional Development		We will be continuing to develop relationships with other children and with all members of staff. We will continue to learn to share and be we will be encouraged to join in and play cooperatively with other children by playing parachute games.
Physical Development		We will continue to learn how to put our coat on independently and we will be encouraged to use the toilet and wash our hands correctly. We will be learning how to catch small and large balls and we will be learning how to copy some letters from our names.
Understanding of the World		We will continue to learn about the features of Autumn and then how the seasons change as we move towards Winter. We will be learning about Bonfire Night, Diwali and Christmas. We will learn how we can use the Internet safely to retrieve information.
