

School Newsletter Autumn 2017 No.8

3rd November 2017

Coming up the first week back:

7.11.17 New Parent's Open Afternoon 4pm
8.11.17 Year 5 Swimming
10.11.17 Year 4 Class Assembly 9am

Birthday greetings go to:

Grace o'Neill, Kash Weightman & Lexi McFarlane
who each celebrated their birthday this week.

I would like to extend a big thank you to those of you who park considerately and take the safety of our children seriously. Thank you for creating a school where children's safety is a greater priority than convenient parking. Lets continue to work together to create a culture where unsafe parking, which puts children's lives at risk, is seen as unacceptable. Thank you once again.

Outstanding Work

Each week I celebrate an outstanding piece of work from one of our classes. This week's piece of work is from our reception class. The children have been busy using straws and connectors to make firework bursts. These have been put together to make a wonderfully colourful firework display. The children used their growth mindset skills to persevere with the fiddly connectors. Well done to all of our reception pupils. Super effort!

Ordering School Photographs

Just a reminder that any orders for school photographs should be sent back to school by **Monday 13th November**. Alternatively photographs can be ordered online at www.getphotos.co.uk and use your website photo code. If you have any questions regarding the photographs you can call the Vancols team on 01206 273711. I hope you are happy with your child's photograph. The photographer was lovely and really took the time and trouble to get the very best from every pupil.

Postponed Forest School Sleepover

The annual Forest School Sleepover was due to take place tonight. However, due to a large number of teaching staff feeling rather poorly, a decision has been made to postpone this event. Thank you to our children and parents who have been supportive of the decision to postpone.

Fireman Sam's Firework Safety

It's nearly time for Bonfire Night, and I know lots of our children are very excited! Fireman Sam has ten short videos containing safety tips for children to watch in the run up to Bonfire Night. This is a fun way to make sure your family is safe. You can find and watch this series of videos on the Cheshire Fire and Rescue Service website below. Have a fun and safe Bonfire Night!

Spare Swimming Things

If you have any spare boys swimming shorts that are no longer needed then we would welcome them at school - we always need spares. We are also looking for swimming goggles. If you have any spares, just drop them into the school office or hand them to Mrs Hammond or Mr Tuttlebee who are our PE coordinators. All sizes needed from aged 6 years upwards.

Thank you in advance for your help.
