Money

No money is to be brought on the trip

Mobile Phones are strictly not allowed

Staff are in constant contact with school and an update on all children will be given to parents at the school office on a daily basis. A staff emergency number (out of school hours) will be given to parents nearer the time.

Medicines

All medicines (i.e. paracetamol etc) must be clearly labelled with the child's name and will be collected by a member of staff on the morning.
