18th September 2017

Dear Parents/Guardians

On Thursday, we sent a letter home with all the children, which included the following information:

"We were alerted today of an incident that a child/children has/have been approached inappropriately by an adult in the area around Childwall Fiveways. This matter has been reported to the police who are investigating it".

We have been informed today that there has been a **SECOND INCIDENT** and Liverpool City Council have requested that all Parents/ Guardians be informed about this.

Please ensure you remind your children to be vigilant at all times. I would remind parents that we do have breakfast and after school clubs available if you require an extended day to accommodate work commitments etc.

This Friday 22nd September is an Inset Day for staff training so the children will not be in school. We are having our Splash Club on St Sebastian's School site if you require childcare that day.

In the interest of safety, we must remind you that you are not permitted to park your car on the yellow zig-zags outside the school gates. It has come to our attention that a number of cars were parked on the yellow zig-zags outside the Field of Dreams and Foundation entrance this morning. This is not acceptable. Parking your car or even temporarily stopping on the yellow zig zags not only poses a road safety risk to all of our children but it prevented a parent from accessing their child's designated disabled parking space this morning. We thank you in advance for your understanding and co-operation.

Yours sincerely,

Mr Dennis Hardiman M.B.E.
Executive Head Teacher
