Only my best will do; Be kind to one another

19TH October 2017

Dear Parents/Guardians

Thank you for your attendance at our Open Evening. Our evaluations indicate that you found it most informative. During parents evening, we introduced our revised behaviour booklet which outlines all our procedures relating to our very high expectations of behaviour. However, it has come to our attention that some parents are approaching other parents to discuss what they regard to be misbehaviour between their children. Some parents even phone other parents.

THIS IS NOT ACCEPTABLE UNDER ANY CIRCUMSTANCES.

If there are any issues, or any matters at all relating to your child, then please see the teacher only! Our teachers will work to resolve matters and speak to you about it. Please do not approach other adults on the yard.

When parents have only some and not all of what they believe to be facts/perspectives on events then huge misunderstandings will arise. When groups of parents discuss matters, the misunderstanding magnifies. This can result in false allegations and a great deal of upset too!

Also, please do not speak about other children in front of children on the yard. This extends to parents approaching other children and speaking to them directly too. After all, you would not like a parent to approach your child, would you?

Safeguarding all children is our priority and this applies to what they may inadvertently overhear. We do take this matter very seriously and should such behaviour continue, this will be passed on to our governors.

Yours sincerely

Mrs J Mulligan

Head of School
