# Woodlands Newsletter

*Issue 08 3rd November 2017*

## School photos

If your child had their photo taken this week and you have received the order form, please ensure you read the instructions carefully on how to order; you can order and pay online, or if you wish to pay by cash or cheque the instructions are on the form. The envelope must be sealed and sent back within 10 days, in order to avoid an additional £4 postage. Your photos will be sent to school and sent home with your child.

Further photography sessions are planned over the coming weeks to ensure all children get their photos in plenty of time for Xmas! We will advise when your child's class is having theirs done.

## Reading Record

Your child will shortly receive their newly designed Reading Record where home and school can write about the reading progress of the pupils. We took on board all of the comments from the reading questionnaire last year and hope that the Reading Record will give all of the information you need to know how your child is progressing and what their next steps are.

You will see that to further boost reading at Woodlands, we have invested in Accelerated Reader and Junior Librarian, along with our existing Bug Club subscription. The Reading Record will give log on details so you can support your child at home.

If you have any queries about the Reading Record or your child's progress in reading, please contact the class teacher in the first instance. Further queries can be directed to subject leaders for English, Ruth Dunn (secondary) and Tara Dale (primary).

## Dragonflies

Please could Dragonflies have any old shirts (even large ones; we can roll sleeves up/cut sleeves off!). We will be using them to protect uniforms from glue & paint.
