Children in Need

A message from the school council:

On Friday 17th November, the school council are running a number of events for Children in Need. It will be a spotty non-uniform day with a £1 donation. There will be a dance off competition in the playground for 20p and a bake sale with yummy cakes (any donation of cakes and biscuits would be greatly appreciated). It is suggested that some of the money will be used to support The Foundation for Ribble Valley Families who support vulnerable families locally. Thank you for your support.
