November 10th 2017

On Tuesday year one and year two visited Tesco in Wigan to learn about 'Farm to Fork' and how they get their food.

They spent some time finding out about the fish.

Next, they looked at the bakery (and tasted cookies). Finally, they made their own 'layered pasta' meal to bring back to school. Our staff were told how well-behaved and attentive the children were. Well done Year one and two!

Year five and six have taken part in their first 'Character Development' session.

This is a series of lessons involving problem solving and further developing resilience outdoors. We look forward to watching the children's developments in these lessons.

Stars of the Week

Nursery – **Charlie** for always being ready to listen and learn

Reception: **Tyler** for super catching skills in P.E.

Year one: **Lilia** for being exceptionally sensible when we visited Tesco

Year two: **Ellis** for a brilliant informal letter in the role of Skyman

Year three: **Daisy** for excellent concentration and participation during our imaginary magic carpet ride

Year four: **Eva** for reading 'Gulliver's Travels' to the class with confidence, expression and giving eye contact to the audience

Year five: **Deacon** for trying hard to complete all his work in the lessons

Year six: **Niamh** for improvement in handwriting and presentation
