Teacher Training Day

Please remember that Friday 17th November is a teacher training day. School will be closed to the children on this day. We are accessing our training for the day at St Thomas More school, so the school office will also be shut.

Poppies for remembrance

Thank you so much for all of the parents who have supported the sale of poppies and poppy related goods in school. As always, we have had an overwhelming response. I would also like to thank Holly and Theodora—they have sold the items with real maturity and have been so sensible each and every day. Thank you.

A message from Councillor Tony Skipper—Lord Mayor of Coventry:

I would like to take this opportunity to remind your schoolchildren about this year's Remembrance Day Service and Parade, on Sunday 12th November at 10.50a.m. in the War Memorial Park. I know that schools already support the work of the Royal British Legion through the wearing of poppies, the symbol of remembrance at this time, which is very important to ensure our next generation understand the importance of the occasion.

Month of the Holy Souls

We have a beautiful book of remembrance in school for the children to pray for all of their loved ones or known ones who have left this life for eternal life in heaven. We would like this book to be reflective of the whole school community. If you have anyone you wish to pray for, please collect a poppy from the office. Add the name of the person you wish to pray for, and we will add them to this very special book. It will remain on our altar throughout the month of November.

Anti-Bullying Week

National anti-bullying

Anti bullying week is from 13th November to 17th November. Bullying destroys lives, and we must all work together to make it a totally unsociable and unacceptable behaviour. To show our support for anti-bullying week, children are invited to wear 'odd socks' to school on Monday...the crazier the better. It is to fit in with this year's tag-line, all different; all equal.

The children will be taking part in lots of events throughout the week to remind them of what is and is not acceptable behaviour, and to learn the importance of not being an enabler—this means to know, but not to report.

School Photos

We hope you are all delighted with your child's photographs. Please be reminded that the deadline for ordering is Thursday 16th November.

Coats and winter uniform

We are doing our very best to protect our children from what is now a very wintry chill, but some children still do not have coats in school. Please ensure your child has a coat in school. Also, all children should be in full winter uniform—the summer dresses can be packed away until the weather is warmer! Also, children are still having their PE lessons outside. Please ensure they have a full tracksuit, or a long sleeved sweatshirt and leggings.

Flu Vaccination

If you have not already done so, please return the form for your child to receive the flu vaccination, even if you decide you do not want your child to receive it. It is really important that their NHS number is included on the form. The nurses will not administer it to your child without that information. The receptionist at your child's doctors will happily give this to you over the phone. School do not have that information.

They shall not grow old, as we that are left grow old. Age shall not weary them, nor the years condemn. At the going down of the sun and in the morning. We will remember them.

Well done to all of our wonderful stars this week.
