Sundon Park Junior School Weekly Newsletter

The Great British Bakeoff

We have been approached by the producers of the television program 'The Great British Bakeoff' who are currently looking for bakers for their ninth series of the show. We know from our cake sales and afternoon tea's that we have a lot of hidden talent in our midst. To apply, please visit: www.applyforbakeoff.co.uk or call/text: 07384 748225.

6JH Class Assembly

On Wednesday we were transported back to Ancient Egypt for the 6JH class assembly. We got to learn all about the Pharaohs and the gruesome details of their mummification and afterlife.

Lock Down procedures

We have been directed by Luton Borough Council that we are required to have a procedure in place should the need ever arise to have all children in a safe place within the school.

I'm sure your children will tell you about the excitement we had practising our lockdown procedure today. This morning, the children were given details in assembly so they knew what to expect and the actions they should take. This was linked to Remembrance Sunday, helping children imagine what it may have been like when the air raid sirens sounded.

The practise went extremely well and we were impressed by how quickly children got into place. We would appreciate parental support in reiterating the importance of having these safety protocols.

Afternoon Tea

Thank you to all those who attended our fundraiser for Keech Hospice. Mrs Outlaw will be taking Myla, Dylan and Harvey to the hospice today (Friday) to count all that was collected and find out a grand total of the money we managed to raise.

Elliott Browne

Elliott Browne, who coaches our gym club, has just qualified for the finals of the Tumbling World Championships in Sofia, Bulgaria. On Saturday the team finals will be broadcast on BBC Sport with the individual finals broadcast on Sunday. We are very proud of him and will be cheering him on over the weekend.

Weekly Awards

Star Mathematician (10/11/2017)

Chosen by class teachers for great improvement and ongoing commitment in class.

Year 3
Thomas
Kiana
Marissa

Year 4
Rico
Adi
Taylor

Year 5
Corey
Elena
Matilda

Year 6
Muhammed
Genevieve
Zain

Class Leaders (10/11/2017)

This title is awarded to pupils who act as an example to the rest of their class.

Year 3
Kieran
Rosa
Aston

Year 4
Becky
Harry
Molly

Year 5
Sugewin
Tomas
Abigail

Year 6
Zain
Sara R
Rebecca

PE Awards

Georgi

Bakewell Tart
Fresh Fruit or Yoghurt

Friday

Cheese and Tomato Pizza V
Masala Fish Curry
Jacket Potato with Beans
Melting Moment Biscuit
Fresh Fruit or Yoghurt

Please note that changes to the menu may take place due to unforeseen circumstances such as late deliveries.

Next Week in English

Year 3

Next week in Year 3, we will be starting to write our own innovated versions of our story, The Tunnel. We will be focusing particularly on writing effective beginnings and endings.

Year 4

This week, Year 4 will be innovating the story The Canal. The children will be creating their own characters and setting for a warning story. We will be learning how to punctuate speech correctly to use within our stories.

Year 5

In English next week, Year 5 are starting to write a story about an alien abduction focusing on including suspense in our writing.

Year 6

Next week in Year 6, we will be writing in the same style as the story extract we have been looking at together. We will be creating our own story maps but they will substitute parts and/or add extra details. We will be learning to create atmosphere in our stories and thinking about how we can keep the reader engaged.

Next Week in Maths

Year 3

Year 3 are continuing their work on mental subtraction, learning different methods to subtract ones, tens and hundreds from three-digit numbers.

Year 4

Year 4 will be learning to find missing numbers in formal written addition. We will be learning to solve formal written subtraction with regrouping of thousands and will then find the missing number. We will end the week using our skills to solve problems.

Year 5

Next week in Year 5, we will be revising multiplying whole numbers and decimals by 10, 100 and 1000.

We will be learning to solve number problems and practical problems that involve place value.

Year 6

Next week in maths, Year 6 will be learning to simplify fractions using their knowledge of common factors and common multiples. They will also be continuing to practise their mental strategies with larger number.
