### Year 5/6 Marwell Zoo Trip Monday 13<sup>th</sup> November 2017

Dear Parents/Carers,

'We received this message from Marwell about the workshops being filmed on Monday to be used for internal Marwell staff training. Please will you let the school know by Monday, if you do not wish your child to be included in this. Thank you, Mrs Mayall'

**Hello**

***My name is Sharon Bartholomew. I am the Primary Learning Manager at Marwell Zoo. I am trying to set up a self-reflection task for my colleagues with the aim to improve the quality of teaching sessions that we provide for school groups. I am looking for schools that are happy for us to video the session with their class so that the member of staff delivering can view the session afterwards to assess their teaching. Being in the teaching profession yourselves I'm sure you can appreciate what a valuable tool this is for self-reflection and improving practice.***

***If you are happy with us videoing the session for this purpose, can you please reply to let me know? We will not be using the videos for anything else.***

**Many thanks**

**Sharon**
