**Methodist Circuit**

Our friends at St John the Baptist Roman Catholic Church have offered parking facilities, and we would ask you to use those to keep access clear. We would like to keep Mill Hill, alongside church, for dropping people off, or for blue badge holders only, please.

**From M62 Junction 31**

Follow signs for Normanton Town Centre (Castleford Road). Continue for 1.5 miles. Castleford Road turns into Wakefield Road at the second set of true traffic lights. Go past the Methodist Church on your left and turn right into Newland Lane. Go around the Catholic Church and park in their car park. Marshalls will be on hand to welcome you.

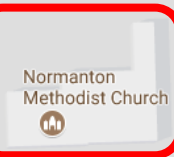

**From the South**

Take the A655 from Wakefield to Normanton. Turn off at the first roundabout on the approach to Normanton (Woodhouse Hill). Then turn right at the next island. Normanton Methodist Church is on the right in 0.7 miles. Turn left before the church into Newland Lane. Go around the Catholic Church and park in their car park. Marshalls will be on hand to welcome you.
