The posters will be displayed around school to promote our school values.

KS2 Maths workshop-Wednesday 15th November-6pm

Mr Gouldin will be holding a parents' workshop to demonstrate the written methods used in KS2. This will help you understand and support your child with their homework.

Earrings

Please note that children cannot do PE if they are wearing earrings. Staff are not allowed to take earrings out and so if your child can't do this unaided, they need to come to school without earrings on their PE days.

Message from NHS Rotherham Clinical Commissioning Group (RCCG)

As winter is traditionally the NHS' busiest time of year, RCCG wish to relay the following message to all parents;

‘‘All children get coughs and colds. This is a normal part of growing up and no medicines can prevent them. The best way to look after your child is to make sure they have plenty to drink and if they have a temperature some paracetamol will help. Most doctors don't recommend cough medicines and antibiotics won't help a cold. If your child is absent from school your doctor won't give you a letter to say they are ill, so please don't contact your GP practice or make an appointment to ask for one. It's important that patients who need the most help can access services.’’
