SURVIVAL

Last week, year 6 went to YMCA Lakeside (Windermere), they took part in exhilarating outdoor activities like the breathtaking King Swing, the DARING zip wire and the VERY wet canoeing and kayaking! The children had the time of their lives and created lots of memories like paddling on Lake Windermere in their own homemade rafts. Please look at the school website (under events) for more photographs.

We asked some of our Year 3 children what they have enjoyed so far since starting at Lowerhouse in September.

"It is a good school".

Hope Walsh and Lilly King

"I love this school".

Levi Mellor

"I have grown more confident and made more friends since joining Lowerhouse".

Courtney Plumb

"I think maths is a great lesson and I have also got better at reading".

Holly Bradshaw

Young writer this half term

She started to cry, she felt heartbroken and cold hearted. She rocked back and forth with tears streaming quietly down her face. Her lips started to tremble and her eyes filled with tears. As wet tears fell down her face, she walked over to Gelert and looked into her trusting eyes and gave her a big hug of love.
