## Time Flies when WE'RE Having Fun!

WOW! What a busy first half-term we have had in Y6! Already, the pupils have been making great strides in their learning and are really enjoying the challenge of Y6. Of course, a huge amount of effort and hard work is needed, but what has been fantastic to observe is just how much enjoyment the pupils are having in doing this!

As you are aware, we regularly add 'snapshots' of our learning on our school Twitter page and / our website so do keep checking this regularly.

## Attendance

We were delighted to discover that in the first half-term, 19 pupils in our class have had 100% attendance. We hope that next half-term we can beat this total - wouldn't it be great for the whole of Y6 to have full attendance? There are prizes to be won each week in school for this, so make sure you're in to be in with a chance of winning!

As you will see from below, we cover so much and create so many memories each day in school.
