

At Larkfields we 'Take Care' of...

Ourselfes

In October we had a visit from the Burns unit. They came to talk to us about staying safe and making sure they didn't have any visitors from Larkfields ever!

They came and did an assembly on burns prevention.

They told us how to treat burns, they taught us the stop, drop and roll song which we sang and they also showed us the different types of ways you can get burnt- so we don't do it!

Each Other

Each half term the 4 Take Care reps from each class select children who they think have really taken care in each area.

The children are then awarded with a certificate and 5 Dojos in Achiever Assembly.

Mrs Scott said:

"These are really important awards as they are chosen by the children for the children."

Congratulations to the children: mentioned on the next page...

Our Learning

This unit of work we are doing:

Year 3 - The Man Who Walked Between Two Towers

Year 4 - Crime and Punishment

Year 5 - Ancient Egypt

Year 6 - Pandora - Antarctica

Focus on Year 6

We are currently researching about Antarctica including wildlife, climate, terrain and population. We are also having a class versus class quiz. Currently Falcons are winning.

This half term we are also going to write a Biography about Ernest Shackleton.

We are also reading the novel: 'There's a Boy in the Girls Bathroom.'

Maths work has a focus on division and multiplication.

Our Environment

This half term the Take Care of the Environment reps will be working with Mrs Poxon and Mrs Scott to do an assembly. The focus will be all the work we have had done on the school building. The assembly will be about how much this cost and how we all need to look after the building, and be proud of the school we have.

More to follow on this in the next newsletter.

Ourselfes Sporting

Written by the children who took part in the events

Football Tournament

On 19th October 2017 nine football players participated in the Kimberley school tournament and we played 6 matches. The first game we won 2-0 against Gilthill and then we went on to play Kimberley and drew 0-0. After that we played Hollywell and won 1-0, then for the last game we played Springbank and won 3-0. Once we had played all of our games in the group stage, we had to find out where we came. Fortunately, we came first in the group so we had to face Underwood in the semi-final. Luckily we beat them 2-1, so we had to wait for the other game to finish to see who we had to compete with in the final. After all we found out that it was Greasley, which we happily won 1-0 to seal our victory in the tournament!

Football Match

This was a great match between Larkfields and Awwsworth. We won 8-1 and every one had fun. The captain of the football team was Evie Warton. Over all it was a good match and it is another win for Team Larkfields.

Fencing Competition

Mr Close took us to a fencing competition, we had several different bouts and we fought very well. The staff all commented on how sporting we were and despite only 5 weeks of training we won the tournament.

Cross Country

Cross country is a running event. There were many schools running around the field. There are 4 different events: Y5 girls, Y5 boys, Y6 girls and Y6 boys. Jasmine Armstrong came 2nd out of 100 other competitors. Overall we came 3rd out of 5 different schools. We really enjoyed it and hope to participate again.
