Remembrance Day

The children have been learning all about Remembrance Day this week. They have been busy creating and making poppies which are proudly displayed in our poppy garden! The children have learnt about the significance of the day and were very mature when they took part in our whole school 2 minute silence on Friday afternoon. In Read, Write, Inc. we have learnt the sounds 'u', 'f' and 'b'.

We have been dazzled by all the amazing rockets that have been made this week. Well done to everyone who took part, your rockets look great!
