Issue 9: Friday 17th November 2017

EMBRACING THE UNIQUENESS OF EACH CHILD THROUGH THE MESSAGE OF GOD'S LOVE

LEARNING TO LOVE; LOVING TO LEARN... ★

Eco-Warriors

We had an assembly delivered by Severn Trent Water on Tuesday. The man who delivered the assembly was called Malcolm Smith and with the help of the eco warriors, explained where our water comes from and how it is cleaned. He then talked about where our waste water goes and what happens to it. After that he used some other eco warriors and talked about saving and wasting water.

After the assembly he then worked with the eco warriors and gave them badges so they can be water reporters also. He helped with ideas for our action plan and ways they can spread the message to parents.

The children will all be completing a water promise card which asks them to make a promise to try and save water at home.

The children are organising a green day (it can be token green) £1 for non-uniform and for donations of cakes. The eco warriors will be in charge of selling these. The money will be going towards purchasing water butts and stands so we can start recycling rain water.

Year 3 and 4 History Day

The children had a fun and informative day yesterday during their Egyptian Day. They gained lots of new knowledge. It really was a day to remember.

Children in Need

Thank you to you all for being such good sports – for dressing up and looking silly and for the lovely spotty cakes! We had good fun and raised money for a good cause. Thank you especially to the School Council and Miss Haley for organising the day so well.

Cracking Chemistry morning

The juniors had an inspiring morning this morning – we had a visit from a chemist from Warwick University. The children were in awe and wonder at the incredible experiments. The children gasped and cheered as he mixed different liquids to create different effects and outcomes. Absolutely brilliant hands on learning; another day of excellence and fun. Thank you to Miss Haley for organising this.

This week's special mentions

Year R	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6
Olivia	Cohen	Poppy H	Ruari	Nicolas	Sofia F	

This week's attendance figures

YR	Y1	Y2	Y3	Y4	Y5	Y6
100%	84%	84%	93%	87%	89%	88%

The children know that they need to work hard again this year to show the value of respect. They will receive respect tokens to go towards a whole class treat once their jar is full!

Children, please follow what you love and if you like science, become a scientist!

Dinner Money

If you are paying weekly for school meals, payment should be sent into school each Monday. The weekly cost is £10.75 either in cash or by cheque payable to Warwickshire County Council.

Tea and Tinsel

Please come and support this wonderful event! It is taking place next Thursday afternoon 23rd November. The children may wear non-school uniform in return for a donation of chocolate. If you come along you may take your child/children out of class to look around and then you can take them home when you are ready. If you are not able to attend, the children will have a chance to look around the

stalls and purchase if they have money.

We will have a grotto - so come and see Father Christmas! And we will also have a Harry Potter themed room where there will be lots of amazing themed Christmas gifts...

Thank you all those who have been working so hard behind the scenes.

Medicines in School

The only medicines we can give to children during the school day are those prescribed by a doctor and only after a medication form has been completed. These are available on the website or from the school office. Please do not send in calpol, cough medicines etc. as we will be unable to administer these apart from in exceptional circumstances.

Next week at a glance:

Monday 20th November:

Drama session Year 5 and 6

Tuesday 21st November:

Swimming Year 3 and 4

Dance for reception, Year 1 and Year 2

Wednesday 22nd November:

Film Festival in the morning – Year R – Year 6

Thursday 23rd November:

Tea and Tinsel 2pm onwards

Have a wonderful weekend. **Kate Madia**

Year 2 in their maths lesson today

We have learnt a lot this week listening to the Year 5 and 6 research presentations on the Romans. Some of the children made Roman food for us to try and all the groups that have presented so far have been excellent. I look forward to seeing the rest next week.

Think of the week:

(A beguiling question that stops you in your tracks and makes you think...)

If you read a newspaper in the shop without buying it, is that stealing?

AT OUR LADY'S WE ARE FULLY COMMITTED TO SAFEGUARDING AND PROMOTING THE WELFARE OF CHILDREN. WE EXPECT ALL STAFF, PARENTS AND VISITORS TO SHARE THIS COMMITMENT.
