Superheroes and Children in Need

This week the Reception children have had a 'super' superhero week. They have been creating great narratives as part of their small world play and have loved dressing up in the various superhero costumes. Friday was a fun-filled day; dressed in spots and eating cakes, the children learnt about this annual day and the causes supported from their kind donations.

In Read, Write, Inc. we have learnt the sounds 'e', 'l' and 'h'. The Nativity preparation have begun with the children learning two songs, so prepare to listen to lots of catchy songs!

Home Learning Challenges This Week...

Home Learning Challenge

Movie Time!

As the nights get darker and the weather gets colder we begin to enjoy cosy times indoors. This weeks challenge is to decide what your favourite movie is; explaining why. You could also consider any films you have not enjoyed; again explaining why it was not enjoyable.

You could record a short video of your child explaining which film is their favourite. Remember, Tapestry video's are limited to 1 minute but you can upload multiple videos. Alternatively, your child may want to write a label or caption of their chosen film and draw a picture of their favourite part.

Tapestry Title: **Movie Time!**

We will look at all entries on Friday 24th November.

Please upload observations to your child's Tapestry account titled:
Movie Time!
