

# TRINITY

## 'Out of School Club'

HIGHFIELD ST. MATTHEW'S C.E. PRIMARY SCHOOL

Billinge Road, Wigan, WN3 6BL

Head: Mrs J Hargreaves Telephone No: 07917 550213

Trinity is our Before & After School Club, which has been running for 15 years. We are Ofsted registered offering before and after school club care for 32 children, from Reception to Year 6 (i.e. ages 4-11 years old, covering the whole primary school years). This allows continuity for our young children, as they are in a familiar environment.

All our staff are qualified who also work within school during the daytime. This means that children are familiar with staff already at Trinity.

We are open during term-time, so no need to be tied to childcare fees during school holidays if you don't require childcare then. Trinity is open Monday – Friday 7:45 am until school starts and then 3:15 pm when school finishes until 5:30 pm. This means children are collected directly from the class.

Trinity is run at The Lodge within the school grounds and thus creating a 'home from home' safe environment, without unsettling children. We are equipped with digital and mobile media such as computers, ipads, Wii, televisions and DVDs, craft areas, quiet areas and a large inside play area. In addition, we have well stocked outdoor equipment and an artificially turfed area so children can play outside all year round, without getting muddy. Children can also use the school sensory garden and playground to run off their abundant energy and play games requiring more space such as football, skipping, etc. This is something many private providers do not have the capacity to offer.

There are always organized activities, celebrations and events for children to join in with throughout the week and year, such as Christmas and Easter themed activities, baking, celebrating Diwali and Chinese New Year or children's birthdays. Alternatively, children can choose their own activities, or some of our older children opt for a quiet area to read or complete their homework. We like to promote a fun but relaxed environment, especially after a day's learning in school!

Children are offered a healthy snack such as at breakfast there is a choice of cereals, toast or crumpets and a drink. In the afternoon the choices may consist of toast, crumpets, crackers, potato cakes, hot-dogs, noodles, etc and a drink. All snacks/drinks are included in the fees.

Our fees are in-line or lower than many other local providers and we accept all childcare vouchers or fees can be made via the schools online payment system.

If you require any further information or would like to enquire about a placement at Trinity for your child please contact Mrs Wynne at the School Office.
