Safeguarding

A parent has voiced concern about our emergency training that caused cancellation of some clubs yesterday and as we have new fencing, wondered if we had an emergency. We have not. The fence is purely extra security for children in the front classes and hall as our school is open at the front. Our safeguarding training is provided by specialists from outside of school and they were forced to change the date of their session at late notice.

Porch Project

Please send in all donations for the Porch Project by Friday 24th November. Thank you to those who have already contributed. We are aiming to fill 25 boxes but still have some way to go!

Meeting Children

Thank you for your swift support of our safety arrangements that all children up to Y5 should be collected by an adult. Please provide a written request if you would like your Y3/Y4 child to be released and walk around the building to join parents at Early Years or KS1 exits. Children must be met by an adult from clubs.
