

# Positive About Abilities Week - St Cuthbert's

Friday 24<sup>th</sup> November 2017

Dear Parents and Carers,

As previously shared with you, on Monday 27<sup>th</sup> November - Friday 1<sup>st</sup> December, an exciting week has been planned - 'Positive About Abilities Week'. Throughout this themed week, activities, workshops and visits have been organised to showcase to all classes, how the different subjects that are taught within school, can be used and pursued further in life - perhaps as careers, perhaps as hobbies.

We are overwhelmed with the number of professionals and companies who have been so enthusiastic and willing to support the week in various ways. We are confident that this will be a particularly memorable week for our pupils and are looking forward to the broad and exciting timetable which is attached to this letter for your reference. How fortunate we are to have so many links within our school community and further afield!

As always, we would be delighted if you, as parents and carers were able to be involved in the week and share the opportunities together with your children. Due to restrictions from external providers, we are only able to open the invitation for specific sessions during the week - these sessions are listed below for you to refer to. If you are able to join us for the session, please call into school at the relevant time - the more the merrier!

If you have any questions regarding the week, please don't hesitate to contact your child's class teacher who can give you any further information.

With thanks for your continued support,

Miss K O'Callaghan

<b><i>POSITIVE ABOUT ABILITIES WEEK - <u>Y6 PARENT INVITATIONS</u></i></b>
