We would like to say a huge Thank You to the funds raised by Co-op which has

enabled us to purchase a Bicycle Rack for us to use at the Junior School.

Without the support from our local community and of course you the parents and carers we would not be able to provide facilities like these.

Nativity

It's that time of year when we start getting excited for the little ones Nativity. This year we need a little help. Do you have any old nativity costumes at home or are you a dab hand with a sewing needle and can spare us an hour?

If yes, please can you let your child's class teacher know as we are desperately short on costumes.

As we have combined Nursery and FS2 this year we are adding an extra date to the performances.

- 12.12.17 - 10am
- 13.12.17 -10am
- 14.12.17 - 2pm

Using the school driveway

We are becoming increasingly concerned about the number of parents/carers walking in and out of school using the vehicle entrance and exit, and **not** using the pedestrian paths before and after school each day. We also regularly see parents and children using the driveway as a walkthrough between both schools.

This driveway gets very busy and we worry that it is only a matter of time before someone is injured by a passing car or delivery lorry.

Also, the carpark is for staff use only, unless you have prior permission from Miss Wood. Parents/carers should not be driving through the school grounds at all, unless it is a necessity to collect your child in an emergency.

We thank you for your support and understanding.
