

24th November 2017

Dear Parents/Carers,

Re: End of Term arrangements in Nursery

Please note that on the final day of the Autumn term, Tuesday 19th December, there will be no afternoon Nursery session for those children who receive the 30 hours funding or for those individuals who pay to attend. This is due to the school closing at 2:15pm that afternoon, and funded children are not covered for part sessions (as this would be). Recent invoices have not included payment for the afternoon of the 19th December 2017.

Please be aware that lunch club session will still be running as usual.

So, in summary, you will need to collect your child at 11:45 at the end of the Nursery session, or at 12:45 following the lunch club hour.

Should you have any queries, please do come and talk to us.

Yours sincerely,

Carys Goodman

Early Years Teacher
