Homework

We sent out additional homework to the juniors last week in response to some requests. Please note that we cannot enforce that homework is complete but we will of course encourage...the letter that I sent out with the homework should have made this clear. We hope that this new system will satisfy those who request more but also not put strains on those families who were happy with the previous homework set up.

Head Lice

We have another case of head lice that we are aware of. Please can you check your children over the weekend and treat if necessary. Thank you.

Alton Castle Deposit

Deposits of £35 for the Year 6 residential trip are due by Monday 4th December. Cash or cheque payable to Our Lady's School please.

Child's Purse

A small child's purse with a little bit of change in it has been handed into the school office. Please see Mrs Davenport if you think it belongs to your child.

The children know that they need to work hard again this year to show the value of respect. They will receive respect tokens to go towards a whole class treat once their jar is full!

Think of the week:

(A beguiling question that stops you in your tracks and makes you think...)

If you read a newspaper in the shop without buying it, is that stealing?
