## Ukulele Playing Success

Many congratulations to KS2 who performed their Ukulele concert with great enthusiasm and confidence last week.

It was an excellent concert and we were all very impressed with how much they had learnt in only 9 lessons! Mrs Felce, the instrumental teacher from 'Inspiring Music' said they children had been a delight to teach and so enthusiastic. Well done all!

Ms.Russell 😊 😊

Learn - Grow - Thrive

Welcome to our new Primary School where we currently have spaces in Years 5 and 6. Maximum Year Group size 10.

## Headlice – Take a Peek every week

Please can we remind all parents to check their children's hair on a weekly basis. This should be done using a proper detection comb to ensure a thorough check.

## More News & Information.....

### Christmas Postbox

Our Christmas postbox will be open for business from Friday, 1st December. Children are invited to post their cards to their friends and staff in school. Please make sure that all cards are clearly named. Please include surnames and the class that they need to be sent to. Cards will be sorted and distributed by the school council during the day.

### Cold Weather Alert

We are due for a spell of particularly cold weather. Please could all children have a coat in school together with hats, scarves and gloves that are clearly named. Parents can register for email alerts at <http://www.centralbedfordshire.gov.uk/winter-weather/updates/overview.aspx> should the school need to close due to severe weather conditions. We would also update the school website and PTA Facebook page as early as possible to alert parents if this were to be the case.

### Ask your child

To help parents find out what is going on in school each week we will give a list of questions for parents to ask their children linked to lessons and activities from the week before. This week;

- Ask your **Reception Class Child** to tell you *The Christmas Story*.
- Ask your **Year 1** child how they measured rainfall.
- Ask your **Year 2** child which months are associated with each season.
- Ask your **Year 3** child how they planned a shadow stick experiment.
- Ask your **Year 4** child how to set out a formal letter.
- Ask your **Year 5** child to explain what a computing algorithm is.

Everton Heath Primary School is committed to safeguarding and promoting the welfare of children and young persons.
