

**Year 2 Winter Concert**  
**Sapphire & Topaz Class**

Dear Parents and Carers,

We are excited to invite you to join us for a **Year 2 Winter Concert** on **Wednesday 13th December at 2:00pm**. The children and staff are beginning to work hard to ensure they sparkle and we would love you to join us for the performance.

The concert will take place at **St James' Church** on **Hertford Road**. All children in Year 2 will require a sensible coat to walk to the church. If you wish, you may collect your child directly after the performance; please indicate if this is something you would like to do **by returning the slip below**. Otherwise, they will be taken back to school and collected as usual from the classroom or after their school activities.

For the past three years, the performance was attended by parents and families of our school with a variety of beliefs and faiths. While we celebrate the traditional British religious festival of Christmas, as outlined by the **National Curriculum**, we remain a non-denominational school who recognise the importance of all faiths. The songs chosen for the concert have been carefully selected to allow people of all faiths, or none, to participate and enjoy them. We know as parents you will all recognise the importance of our children recognising and celebrating all faiths. We look forward to seeing all our parents supporting our children's hard work.

Please note all buggies will need to remain towards the back of the church with younger children sitting on laps.

**Please return the slip below to your child's teacher by Friday 8th December 2017 if you would like to collect your child after the performance.**

Many thanks in advance,

Miss Meera Shah  
Acting Headteacher
