In the summer term there is to be a school trip to a surprise location for the class with the best attendance over the year

NON-UNIFORM DAY
FRIDAY 8th DECEMBER

Parents' Consultation Evenings

Yet another successful event, parents sharing in their children's achievements and successes this term. If you were unable to attend please make sure you arrange to see your child's teacher at a mutually convenient time

Children are invited to wear what they want in return for a contribution to hampers for our less fortunate families. Items could include food(no-perishable)-, toiletries, small gift etc.

A group of children are going along to Shepley Marina next week where Father Christmas will be making a guest appearance

Mobile Phone and other mobile devices at bedtime

Some of our pupils are coming to school feeling tired in the mornings, telling us that they take their phones and tablets etc to bed with them. It has been proven that using such devices before bed is detrimental to getting a good nights sleep. Please encourage your child not to do this so that they wake energised and ready to learn. Thank you

Winter Bugs

If your child suffers from any kind of tummy bug please keep them off school for 48 hours after the last signs of illness. This is not to inconvenience parents but to reduce bugs being passed on to other children, This is in line with public health guidelines.

Can we once again remind you that parents should not be driving into school grounds when dropping off or collecting children. This is for the safety of all our pupils. Thanks
