

SCHOOL NEWS

Dear Parent/Guardian,

The children have been doing some fantastic dancing in their PE sessions this week and we have some very talented children (as well as Mr Hindman!) I would like to politely request that parents/carers take some time to read carefully the leaflet attached to this newsletter regarding safe parking at drop off and pick up times. I have contacted our local community policing team for support. I have been particularly disappointed that when some parents/carers have been spoken to about this matter they have been rude and abusive to my staff. This is something I will not tolerate and will take further action if required.

Kind regards, Mrs C Holgate (Headteacher)

Friendship Day at Burnley Youth Theatre – Report From SWAT Ambassadors

Last Thursday, the SWAT team visited Burnley Youth Theatre and took part in lots of activities based on diversity. They were all in separate groups and some of them sang, danced and took part in a piece of drama. At dinner time, the schools shared their friendship bracelets with their new friends. To end the day, the children shared their work with all the other schools before saying goodbye!

Ocean & Ashton

Last week at Burnley Youth Theatre we learnt about diversity and split up into different groups. There was music, dancing and drama groups that we participated in and did activities based on the group. We made lots of friends from different schools and gave them friendship bracelets. At the end of the day we did a big showcase on what we did. As a result we had lots of fun.

Emily & Megan

Last week SWAT team was lucky to attend an amazing event involving drama, music and dance. Our aim was to make new friends, and do different challenges on diversity.

CHRISTMAS FAYRE - FRIDAY 15TH DECEMBER @ 3.30 PM

Here are Nature Club with Mrs Leck, Mrs Kavanagh and Mrs McMeekin helping us to further improve our Environmental Area for outdoor learning. They all worked very hard - well done!

Cycling To School

Cycling is a fun, environmentally friendly way to journey to and from school and helps to keep you fit. Parents can ride with younger children and older children will enjoy the independence cycling offers. It is important to stay safe when cycling, so make sure the right safety gear is worn and that the bike has been checked and is fit for the road.

Safer Cycling courses are available for delivery within school to ensure children receive proper training. If you or your children cycle, read the Highway Code - it is not just for drivers! Road signs and traffic lights apply to cyclists too.
