December 2017

Friday 01/12/2017	
	Golden Sweatshirt
Reception	Kyle Burns
Year 1	Lucy McNichol
Year 2	Eva Bewsher
Year 3	Tom Walker
Year 4	Lauren Steadman
Year 5	Jake Smith
Year 6	Alex Tzelepis-Jones

Class 5 will be going swimming with Miss Eve and Mrs Fitzsimmons every Friday for 10 weeks beginning on Friday 5th January. Please ensure your child has the correct swimwear which is a full costume for the girls and swimming trunks for the boys, not long Bermuda type shorts which make swimming correctly difficult. An online donation of £18.50 to cover the cost of transport can be paid online between now and next term. Thank you.

Thank you to those parents who attended the **Christmas Fayre** last week. Although numbers attending were down from normal, it was a lovely evening and £821 was raised for school funds.

A reminder that it is **Classes 1-4 Gincase** trips this week and letters have been sent out with all the details you need. If you have not already paid your online donation, can you please do so before the trip takes place. Thank you.

It is the **last Forest School** session this week for Year 2 and Reception children. Please ensure they have warm clothes as the temperature is now dropping!

Spare Nativity tickets will be sold from 8.50am onwards in the hall this Thursday. Please form an orderly queue! There will be 2 tickets per family only, including separated parents.

A reminder that it is the **KS2 trip to the theatre** this Thursday evening and you have been given arrangements about this from class teachers.

Starting on Wednesday 10th January 3.30-4.30pm Mrs Bewsher will be holding SATs classes for parents in school. It will be a club for the parents of Year 6 children to allow you to support your child in revising for their SATs. She will cover areas of mathematics, reading and SPAG. You will have time to explore past SATs papers and have a go at answering some of the questions. Mrs Bewsher will also go over the main methods of calculations, as she is aware that the methods we show our pupils are different to the methods you might have used when you were taught! Please don't worry that you will be expected to know answers and be asked questions in front of others as this will NOT be the case! She will also talk about the time restrictions the children have for each SATs test and share some good exam techniques. There will be FREE childcare in school for your children should you need it. Please complete the slip below and return before the end of term.

Attached to this week's Newsletter is information about our School Directors who are following up the parent questionnaire which was sent out during the summer term where some of you indicated you were unaware of their roles and responsibilities in school.

✂
I would like to attend the SATs classes for parents starting on Wednesday 10th January
3.30pm – 4.30pm.

I would/would not require childcare for children.

Signed Child's Name
