CONCERTS 2017

A 25-piece orchestra will introduce the world of orchestral music through classical masterpieces, well-known TV and film themes, sing-alongs, interactive games and more.

This concert is relaxed, so it's perfect for anyone who may need to move around, vocalise or take a few minutes break in a quiet space outside the auditorium. At the end of the main concert you'll be invited to take part in optional activities, moving around the venue to try out instruments, meet musicians and even learn how to conduct!

This concert features BSL interpretation and a supporting social story.

Running time: 60 minutes plus optional post-concert activities.
