December Newsletter

As we approach the festive period, we thought an update with a few additional dates and pieces of information would be useful. Despite school life being very busy, the children are still working on all sorts of curriculum based themes and projects as well as fitting in all the Christmas extras. The information below is as up to date as we can manage but if there are any changes, we will let you know as soon as possible. The information is also on the school app and website in case you need to look at information on the go.

We do hope you can join us on the open morning on the 14th and for the carol concert on the 22nd as it is a great chance to see the children and school at this special time of year.

Andrew Barber.

Useful dates for your diary.
