ONLINE SAFEGUARDING RESOURCES

Websites for information on safeguarding whilst using the internet

The **Jigsaw** film on the CEOP YouTube channel enables children to understand that they need to be just as protective of their personal information online, as they are in the real world. It helps children understand what constitutes personal information and it also directs where to go and what to do if children are worried about any of the issues covered.

GOOD NEWS!

We are very pleased to welcome Mrs Booth back into school today following her operation earlier in the year. She will be coming back on a phased return over the coming weeks and we hope she settles back in quickly.

THANK YOU!

Thanks to your generosity – the FOSS Christmas Fair raised an amazing **£641.68**

A huge thank you to all the children and parents who generously gave their time to come to our Toy Service on Sunday.

I know that some of the boys were dashing off afterwards to their football matches – so thank you! Although it was not as well attended as we would have hoped, all the children performed brilliantly. Your support was really appreciated and all the presents will help brighten up the Christmas of someone less fortunate.

The staff in school always go the extra mile to ensure that the children have an enriched curriculum which involves them putting in additional time and effort after school hours. It is always nice when parents reciprocate and give something back to the school and the community.

REMINDERS!!

SCHOOL FUND

Thank you to all the parents who have already sent in their contributions to School Fund. School Fund money is extremely important as a flexible funding source to buy additional items for such things as baking, after school clubs and art and craft activities.

The amount for the year is £10 per child. We would be grateful if outstanding contributions were sent in as soon as possible. THANK YOU!

Payment should be made as soon as possible in a labelled envelope.
