

Dear Parents, Carers and Friends,

7th December 2017

A note from Mr England:

This week we are celebrating more sporting success! Our girls hockey team entered the East Riding 'Step In 2' Hockey tournament on Monday 4th, finishing as tournament runners up! This means that the team are through to the Humberside round. This achievement is particularly special as this form of hockey includes more advanced, difficult rules, including using a fully-kitted goalkeeper. Well done girls!

Santa Sunday - I would like to say thank you to everyone involved in making Santa Sunday happen. It was a lovely afternoon, with clear weather for the runners, and lots of children enjoying seeing Santa in his grotto. ***Special thanks to Fiona Chester for leading the organisation of the day and to everyone involved in the PTFA for your time and effort.*** It was good to see so many people here - the event continues to 'grow' since we decided to host it in school and I am sure we will have another enjoyable event next year!

Brass Performance Assembly - A Brass performance assembly will take place on Wednesday 13th December, 9.15am, in school. Parents welcome!

Dates, Events and Clubs - Please see the next pages for details on everything happening over the next 2 weeks before we break up, and for clubs in January.

Spring Term Information

I would like to offer parents some information about changes for the spring term:

We have had to make certain timetable changes for the beginning of the spring term: As you know, Mrs Maggs is retiring at Christmas, we will also be welcoming back Mrs Fawcett (who will be working Monday to Wednesday) after her maternity leave and we are hopeful that Miss Nellar (Kate) will return to her post at some point during the spring.

I am delighted to say that Miss Robertson is staying with us, and will remain in Class 1 for 4 days a week, (with Mrs Fawcett taking Class 1 for the other day - which Miss Robertson is entitled to as non-contact time and to use for her professional development). Mrs Ewbank will be teaching Class 3 on a Tuesday afternoon for Mrs Dowkes' non-contact time, and Mrs Fawcett will be teaching Class 2 for Mrs Plumpton's non-contact time on a Wednesday.

Mrs Fawcett will also be taking intervention and support groups during the mornings as well as taking on a new 'Safeguarding' role. I am also pleased to share the news that our teaching assistants; Mrs Aconley, Mrs Burnett and Miss Spencer, will also still be with us during the spring term, working in a variety of support roles with classes and groups.

The above changes mean that after-school clubs for January are changing—please see below for the new timetable - please note that Fame Academy and Y6 Booster Club will be on Tuesdays and Computer Club on Wednesdays—**all starting in the second week back.**
