December 8<sup>th</sup> 2017

Preparations for Christmas are well underway at school. All the children have been busy singing Christmas Carols, making Christmas items as well as continuing the curriculum, often with a Christmas theme.

The Early Years children enjoyed making Nativity tableaux when they learned about the birth of Jesus. These are proudly displayed in the entrance hall for all our children and visitors to enjoy.

Parents or Grandparents... Please join us at our Christmas 'Pop-up Church' on Tuesday in the school hall from 2.30pm until 3.30pm.

Are you interested in becoming a Parent Governor? Watch out for further information in January.

Thank you for your generous donations towards the 'Bog-Eyed Jog'. The PTFA managed to raise **£600** for additional activities and resources our children.

The 'Secret Santa Bingo' also raised **£299**. Thank you!

The Toy and Tree Service at Church takes place on Sunday 10<sup>th</sup> December at 11 O'clock. It would be lovely to see many of our families attending.
