## **PTA News**

We would like to thank the PTA and everyone who provided items for the tombola on Hornsea Lights Night and in particular, the people who gave their time to help on the stall on the actual night. With your support, they managed to raise £111.00

Those of you who attend Celebration Assembly on a Friday morning will also be aware that they are currently selling raffle tickets at 20p each or £1 a strip. The first prize is a large Christmas hamper, the second prize is a smaller Christmas hamper and the third prize is a Christmas cake. Tickets can be bought after each

Friday assembly; they will also be sold at 'Show and Share' on Friday 15 December and at the Christmas Productions on the afternoon of Monday 18<sup>th</sup> December and the morning of Tuesday 19<sup>th</sup> December. The raffle will be drawn after the Performance on the 19<sup>th</sup> December.

They will also be selling refreshments to the audience for both performances:

£1.00 for a hot drink and a mince pie or cake

20p for juice and a biscuit

The PTA also raised £18.00 during the tea/coffee morning.

### **Lunchtime Art and Craft Club with Mrs Burton**

Children of all ages can attend this club when they choose to.

Each week there is a different activity for them to do, usually to correspond with the season or any special occasion that is taking place.

The aim of the club is for the children to have fun producing something to take home whilst practicing their fine motor skills such as scissor action and pencil movement. Some of the activities are cross-curricular and often the children are learning without realising it. These types of things include the weather plate and the snakes and ladders game. The snakes and ladders game had two versions, one to colour and the other had some tricky pieces to cut out then attach them to the board, using pencil, crayons or felt-tip pens, carefully staying in the lines.

### **The Snake Activity**

Children had to cut out the head of the snake, which they chose the colour of. Then they cut out strips of different coloured paper to link together to make the body, finally they cut out a tail to complete the activity.

There is only a short amount of time at lunch for this club so activities are kept as simple as possible for the children then they get them finished.
