

12<sup>th</sup> December 2017

Dear parents and carers,

We have taken the difficult decision to postpone this evening's KS1 nativity performance. We have not made this decision lightly but feel it would be better to postpone to next Monday evening (18<sup>th</sup> December) at 6.00p.m.

We have considered the following:

- The footpaths are extremely slippery and icy and with the temperature being so low we cannot see this improving for the evening
- We are unable to clear the Children Centre car park to make it safe and our staff car park is also very slippery so there is limited parking
- Our staff need to be able to get home safely so they can be at school again tomorrow
- Any pathways we have cleared have already iced up again

We hope you will all understand and support the decision we have made and we look forward to seeing you at the nativity performance next Monday evening.

The planned afternoon performance (Wednesday at 2.00p.m.) will still go ahead as we are hoping the weather forecast for higher temperatures tomorrow will help melt all the snow and ice!

Kind regards

Zoe Hussain - Headteacher
