

CLIFFE WOODS PRIMARY SCHOOL

13 December 2017

Dear Parents

INFECTION CONTROL

As you will be all too aware, at this time of year there are lots of bugs and nasty infections going about. At the moment we have a greater number of children than usual who are poorly.

In order to try to reduce the risk of the children catching or passing anything on, we will be reinforcing the message about frequent handwashing and we will be sending water bottles home each evening from now on.

I hope you agree that these measures will help keep our children healthy and water bottles as hygienic as possible!

Yours sincerely

Mr T Muggridge
Headteacher
