All the Staff Wish You a Merry Christmas

What a brilliant end to our Autumn term. The children have visited Santa, had a Christmas lunch, watched a panto and had a great Christmas party. Thank you to all the children and staff who have made this such a successful term. Enjoy your Christmas holiday and we all look forward to seeing the children return on Wednesday January 3rd.

Y6 Visit to the Holocaust Centre

On Tuesday 9th January 2017, Year 6 children will be visiting The Holocaust Centre near Ollerton. Whilst visiting the museum we will be collecting information about the holocaust and experiencing first-hand what life was like during World War 2.

We will be travelling to the museum by coach. We will be leaving school at 9am so the children should come straight in to class for registration at 8.50am. We would therefore like the children to arrive at school at the normal time. We are hoping to arrive back at school at 3.30pm.

A text message will be sent to you in the event of a delay in the return time.

Payment in full for school visits this year should have already been paid. If you haven't already paid please ensure we receive your payment as soon as possible. Thank you to all who have paid.

Please ensure that if your child does suffer from travel sickness that they have taken their tablet before coming to school. If your child requires a tablet for the return journey please send it in an envelope labeled with your child's name and clear instructions as to when it should be taken.

A packed lunch will be required, (no glass bottles please), although if your child has free school meals, lunch will be provided by school.

School uniform should be worn for the visit.

Vacancy

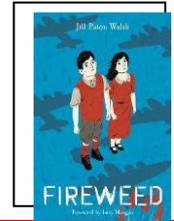

School Lunchtime Supervisor

A vacancy has arisen within the school for a lunchtime supervisor. Duties include the supervision, welfare and safety of children during lunchtime. The hours of work are 11.45am to 1.15pm daily during term time.

For further details regarding the above post, please speak to Mrs Moffatt - call into the School Office, telephone 01246 232505 or email info@brimington.derbyshire.sch.uk.

Christmas Gift ideas for Y6 Pupils?

Next term, our Year 6 class reading book will be Fireweed, by Jill Paton Walsh - available on Amazon and at all good book stores! The book is about Evacuation and links in with our next topic: War and Peace.

Brimington Junior School bags £4000 from Tesco's Community Grant Scheme

BJS is delighted to announce it has bagged £4000 from Tesco's Bags of Help community grant scheme.

Bags of Help is run in partnership with environmental charity Groundwork, and sees grants raised from the sale of carrier bags awarded to thousands of local community projects every year. Since launching in 2015, it's provided more than £40 million to over 9,700 local community projects.

Millions of shoppers have voted in Tesco stores up and down the country and it can now be revealed BJS has been awarded £4000.

Work will now begin on bringing the project to life.

We will be developing an outdoor classroom where children will be able to learn more about their environment and community.

Alec Brown, Tesco's Head of Community, said:

"Bags of Help has been a fantastic success and we've been overwhelmed by the response from customers. It's such a special scheme because it's local people who decide how the money will be spent in their community. We can't wait to see the projects come to life."

Voting ran in stores throughout September and October with customers choosing which local project they would like to get the top award using a token given to them at the checkout.

Tesco customers get the chance to vote for three different groups each time they shop. Every other month, when votes are collected, three groups in each of Tesco's regions are awarded funding.

Groundwork's National Chief Executive, Graham Duxbury, said:

"Bags of Help continues to enable local communities up and down the UK to improve the local spaces and places that matter to them. The diversity of projects that are being funded shows that local communities have a passion to create something great in their area. We are pleased to be able to be a part of the journey and provide support and encouragement to help local communities thrive."

Funding is available to community groups and charities looking to fund local projects that bring benefits to communities. Anyone can nominate a project and organisations can apply online. To find out more visit www.tesco.com/bagsofhelp.
