December Newsletter

This is the final newsletter for 2017. Firstly, we will get the housekeeping out of the way. Can we just remind parents/carers that if your child is going to be late or absent, please let us know by leaving a message on the school absence line (Option 1). If any of your contact details have changed, please let us know as soon as possible so that we can update our records.

School dinners are as popular as ever. They cost £2.00 per day and can be no more than £10 per child per week. It would be appreciated if you could send the money in at the beginning of the week on Monday and any change will be sent home on Friday. This way we don't have to chase people for dinner money and it saves people building up a large debt. The amount currently owed stands at over £350 this week.

Now onto more festive matters. It has been a marvellous Autumn Term in so many ways. The children here at Hertford Vale C.E Primary School have worked extremely hard on everything we have asked them to. They have had a wide range of experiences such as street dancing, visiting poets, class trips out and a Christmas show in school. They have also had chances to play football and basketball as well as take part in gymnastics and out of school sporting events. The choir has performed at two events this term and all the children have given us wonderful performances on stage in school. As well as all this, we have managed to fit in the academic subjects and all the other requirements that make up the busy life of a church primary school.

The children are ready for a break now and deserve a well-earned rest over the festive period. We hope that you all manage to spend some time with your loved ones and enjoy seeing friends and family. We return to school on Tuesday 9th January and look forward to another busy and productive Spring Term. Until then, have a wonderful time and we will see you all in 2018.

Useful dates for your diary.
