

You will be given **3 weekly activities that must be done**. In addition, you have a further 4 activities you could choose from below. We are hoping you will put in a lot of effort for each piece and you will enjoy sharing all your hard work with the rest of the class.

| WEEKLY | Reading (At least three times a week).  | Spellings (Practise your spellings for your test).<br>Complete the weekly home learning tasks set by Miss Moseley.   |
|--------|---|--|
| TERMLY | <p>We are learning about human and animals in Science. Your task is to make a 2D or 3D model of the human digestion system. You can use any materials you like. Remember to label each part of the digestion process using the correct scientific vocabulary.</p>   | <p>Food Diary - What do you eat over the course of a week?<br/>Keep a food diary for a week recording everything you have eaten both at home and at school.<br/>Which food groups do the foods come from? (Carbohydrates, fats, sugars, fibre etc).<br/>Which foods do you think are healthy and unhealthy?<br/>You can choose how to keep this diary and add diagrams, pictures or food packaging if you want to.</p> |
|        | <p>What's your favourite food?<br/>What do you like to eat?<br/>Where does your favourite food come from?</p> <p>Your task is to research your favourite food in as much detail as you can.<br/>You can present your work in any way you like, such as in a poster, a video, or by making a PowerPoint.</p> | <p>Mathletics is a fun online maths resource that the school has made available to you. Play games, solve puzzles and challenge yourself and your friends. Your login details will be inside your home learning books.</p> <p><b>You must include your score, the date and maths subject in your home learning book.</b></p>   |

**TOP TIP!** Most of these projects may take a few goes before they are finished, that's normal. Plan out what you want to do before you start, chat through your ideas with someone else if you want to **but the end result must be your own work**. Take your time, redraft if you need to. Produce your best work and have fun!
