Wednesday 20th December 2017

Dear Parents,

Another busy and successful term at Cuddington Primary! It is hard to believe that 15 school weeks have gone by since we started our new school year after the summer holidays. Miss Knight, Miss Parker and Mrs Burrows have settled in well with their new classes, our new build is complete with children learning in 3 of the classrooms, many prospective parents attended our open morning (many more than in previous years). The PTA have continued to raise much needed funds for our school through the Firework Display, Christmas Discos and Christmas Hampers. There have been several trips organised including several sporting events too along with charity events across the term.

Teaching and learning continues to move from strength to strength. Pupil progress meetings over the past 2 weeks have evidenced good progress across reading, writing, maths and science - a particular mention has to be made of writing. We have started a new approach to improving writing outcomes through Talk for Writing. I don't think we anticipated just how much this would improve our children's writing; not just in English but across other subject areas too.

Thank you to all parents who continue to support their children with improving times tables through engaging in TT Rockstars. After Christmas our Year 2 children will start to take part in TT Rockstars too. Spring Term learning will be updated on your child's class page on the website no later than 8th January.

Your child's progress has now been updated via School Pupil Tracker. You will need your username and password to log in. Please celebrate your child's successes.

Please join me in wishing Mr Hutchinson all the very best wishes as he becomes a Daddy..... we are all waiting patiently to hear the news..... any day now! I will write to the parents of children in Tawny Owls in the New Year with information about his 2 week paternity leave which Mr Hutchinson intends to take at the end of January or the beginning of February.

On behalf of all school staff, I would like to wish you all a restful Christmas break with your families and a peaceful new year. I look forward to seeing all of you on Monday 8th December at 8.40am (8 am if you are in Enrichment Club).

Kind Regards,
Mrs S Mills
(Head Teacher)
