

English

Pretend you are a newspaper reporter in 1666. Write a newspaper report. This could be handwritten or typed on a computer. Remember to make your newspaper report look old!

Write and illustrate a poem inspired by 'The Great Fire of London'.

Computing/Research

Research the plague and The Great Fire of London using the internet/books. Handwrite or type up your findings in your own words using Microsoft Word or other Word processing packages or even create a 'Power point' presentation.

You may wish to add pictures you have downloaded from the internet. Remember to use your e-safety rules.

RE:

Our topic this half-term is about the Jewish faith. What can you find out about it through your own research? Can you find out about Jewish prayer rituals, sacred buildings, objects and beliefs?

Maths

Congratulations, you are now the owner of your own bakery! Devise a menu, set a sensible price list and then imagine someone has come in with £10.00 to spend. What can they buy from you and what change will they receive?

Fire, Fire, Fire!

This term we will be learning all about 'The Great Fire of London' in order to be able to talk about this significant historic event from the 17th Century. We will be reading a variety of fiction and non-fiction texts as well as using the internet to research further.

Over the next few weeks please complete at least 3 of the activities listed on this sheet or perhaps think of your own projects to complete. All home learning needs to be in by Monday 5th February 2018.

I look forward to seeing all your completed work!

History

The Great Fire of London took place during a very difficult time in the city's history. Research the events that happened before the fire and the changes that were made afterwards and present these findings in a timeline.

DT/Art

Make a model of a church or house as it may have looked in London in 1666. You can use whatever material you like.

Alternatively you could create a 3-D map with miniature buildings e.g. Houses of Parliament, Pudding Lane bakery etc.
